

Basic Pre-Season Service and Inspection

Objective

Offer a cost effective ice resurfacer service to prep the ice resurfacer for the winter skating season.

Goals

Reduce costly down time, unwanted service calls, create a better sheet of ice, and extend the life cycle of the ice resurfacer.

Solution

Participate in the the Pre-Season Maintenance Service and Inspection. The maintenance visit would be scheduled with in the 1st several weeks of the winter skating season to prep the Ice Resurfacer for the season ahead.

Outline

All parts are provided with this program. All PMSP work will be performed on site to work with facilities schedule.
